CONSERVATION CONTACTS.....Back cover

The mission of the Center for Russian Nature Conservation (CRNC) is to promote the conservation of nature in Russia and throughout the former Soviet Union, and to assist conservation groups in that region through information exchange, coordination of professional and education exchanges, and provision of technical assistance to protected areas. CRNC is a project of the Tides Center.

RCN has many partners and friends in Russia, including the Partnership for Zapovedniks, whose mission is to offer organizational, technical, and financial help to zapovedniks and national parks in Russia.

PARTNERSHIP
FOR ZAPOVEDNIKS

Russian Conservation News was produced with support of many individuals and foundations including the Weeden Foundation, the World Wildlife Fund, Joan Hoblitzell, Juliana T. Williams. We wish to recognize Harriet Crosby, Andrea Williams, and Charles Dewey for their extraordinary generosity, support, and enthusiasm for Russian nature conservation. Finally, a heartfelt thanks to Jack Padalino for his long-time devotion to Russia's parks and nature reserves, and his unwavering support for RCN from its inception.
